

Healing Cures

What happens when the medical profession has no answer for your condition?

“Ask, and you will receive, that your joy may be full.” John 16:24, ESV

IDEAS FOR REFLECTION

Have you or a loved one ever faced death or a terminal illness? If not, what would you do if you were suddenly in the emergency room with a family member at death's door? Would you pray as the doctor's wife did?

JOURNAL YOUR THOUGHTS

Have you ever considered the power and ability of a single prayer to change your future? Take a few minutes and consider what words you might utter to God if you found yourself in a health crisis. Now, write those words down.

MY PRAYER

Jesus, thank you for being real in my life. I see from the Georges' story that simple prayers can alter the course of life. I'm looking to you as the healer and I receive healing for myself and my family members today. Thank you for showing me in your word your will for healing in my life!
